

Wissenschaftliche Tätigkeiten

Dr. med. David P. Buchmann

- 2012 Behandlungsmethoden der Pseudoarthrose der Clavicula,
Multizenterstudie
Schulthess Klinik Zürich, Zürich
- 2008 Outcome Studie nach arthroskopischer Schulterstabilisation bei anteriorer Schulterinstabilität
Stadspital Triemli, Zürich
- 2006 ChronOs-Inject Verlaufsstudie
Spital Davos, AO- Davos
- 2004 Simultaneous Exposure of Rats to Dioxin and Carbon Monoxide Reduces the Xenobiotic but not the
Hypoxic Response
Biol. Chem. 2004 Mar- Apr. 385 (3-4):291-4

Vorträge

- 2012 SGO Jahreskongress Basel
Shoulder arthroplasty revisions: modular, stem-in situ replacements versus total replacements
- 2010 SGC Jahreskongress Interlaken
Endovenous laser ablation of varicose veins: Influence of laser power on the occlusion rate
- 2009 SGC Jahreskongress Montreux
Arthroscopic Bankart repair of traumatic anterior shoulder instability. A follow up study
